

HOMENETMEN 48TH NAVASARTIAN GAMES / FESTIVAL & VICTORY BALL SPONSORSHIP PROGRAM

2025

Homenetmen, founded in 1918, is a 501 (C)3 non-profit organization with members in five continents. Homenetmen currently has 18 chapters with over 7,000 members and has over 3,200 athletic members in the Western Region.

It is Homenetmen's mission to prepare exemplary and law-abiding citizens by providing physical and health education, endowing the mind and soul with the finest spirit of sportsmanship, and developing and understanding of responsibility and honor as they strive for individual and collective excellence.

The first chapter in the US was established in Los Angeles in 1968. Since then, it has provided the Armenian American youth with moral, physical and social education and exposed the youth to the Armenian culture and heritage. These athletes compete in local league competitions, as well as major regional athletic programs. The Homenetmen athletic program eschews the spirit of competition, sportsmanship and teamwork, while it instills a strong sense of individual identity.

The Navasartian Games were launched in East Los Angeles in 1975, now it boasts the participation of 450 teams, 3,200 athletes, 1,500 scouts and attracts over 35,000 spectators over a period of eight weeks each year. The games culminate on the weekend of the Fourth of July, with a festival and an elaborate closing ceremony. Navasartian Games are more than just a Homenetmen event. These games have a special place in the heart of the community. By participating, they become involved in family and community-oriented activities.
